

Uppsala Cykelförening – Uppsala Bicycle Cooperative

Uppsala Bicycle Cooperative is an association that is working to transform Uppsala into a more bike friendly city.

We do this by influencing local politicians, running a cargo bike pool, having a bike repair workshop, inviting lecturers and showing movies, and by starting other kinds of bike related projects.

Our biggest project at the moment is our cargo bike pool (swe: lastcykelpool) that consists of 10 cargo bikes and 18 cargo trailers. The trailers can be borrowed for free by members and the cargo bikes can be borrowed for a small fee. We will soon have a web based system for booking the trailers and bikes, but for now you book them by contacting the person that is responsible for the bike/trailer that you want to borrow. You find the complete list at the web page. Check "lastcykelpoolen"/"låna fordon".

On Tuesday evenings 18-21 pm we have a bike repair workshop at Ungdomens Hus. You can bring your bike and get help to fix it yourself. We have a lot of tools and spare parts available and friendly people that will show you how to fix everything from a flat tire to malfunctioning gears.

We regularly attend different events to display our bikes and trailers and to spread information about Uppsala Bicycle Cooperative. Members are more than welcome to attend and help out during these events.

Some useful information:

- Membership fee: 30/50 SEK (student/non-student)
- Borrowing trailer: 0 SEK
- Borrowing cargo bike: 30/50 SEK per day or 200/300 SEK per year.
